## Know All About Queens Approach to Blending Learning

We always believed in the blended power of face-to-face teaching and the power of technology in enhancing the experience.

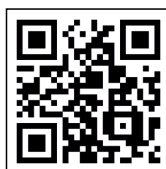

Especially with the onset of the pandemic, the thrust towards a model that seamlessly integrates studying-from-home and studying-at-school is a "must have" more than a "nice to have"...and we have perfected it.

## State of art facilities at Queens School of Design

From ideation to execution, we incorporate rigorous process in empathizing, brainstorming and coming up with novel products and solutions. In addition to this, our state-of-the-art facility bring to you embroidery, printing, sewing machines, space management, furniture design, color scheme and more to turn all ideas into products that speak a thousand words.

## Student TESTIMONIALS

“ **Dushyanth Gowda** ”  
Interior Designer  
M Moser Associates Bangalore

As designers, keeping an eye on details is what differs us from the rest of the world. Queens School of Design is one such institute where they teach us to pursue dreams with passion!

“ **Mahesh** ”  
Proprietor  
Rishi-Home Life Interior

Queens School of Design is a place that built the designer in me. This school made my dreams and aspirations come true. After completing my course from Queens, I became a professional in interior designing excelling at all the design techniques. Queens gave me enough confidence to start an interior design consultancy on my own. I thank all my faculties for their support and guidance.

“ **Prajna Bhat** ”  
Merchandiser Product Development  
(Accessories) Jockey India

Queens School of Design is the place that made my dreams come true. Today I can say that I'm a strong, independent woman. Queens has laid the strongest foundation in my life. The school made me realize my passion for merchandising. I thank all the faculties for their tremendous support.
